

Hey!

Here's what they're saying about

THE TOYES

☆☆

"The Toyees make people smile. This band will rock your reggae soul from top to bottom. If your karma is really good, you'll catch their act when they breeze through your town."

The Legendary Bob Keller - KSEG-FM The Eagle 96.9, Sacramento, CA

☆☆

"The song topics and turns of phrase constitute a powerful first impression, and The Toyees support with excellent guitar-heavy rock reggae, somewhere between Bob Marley and Bare Naked Ladies ... It's hard to 'Just Say No' to The Toyees."

Jim Foley, KXCI, Tucson, AZ

☆☆

"The Toyees' second release, Strange Animals, makes me happy. ...direct, rootsy reggae worthy of the Marley heritage ...charming, upbeat, eccentric entertainment."

Crossroads Magazine

☆☆

"A great album by any standard... Highly recommended."

Rick Anderson - The All Music Guide

☆☆

"Mawg and the gang treat your ears to a positive, spirited and skewed world vision. This album has got legs and is an excellent greeting card to the national music market."

Rhadd Hunt - Voices of Reggae

☆☆

"Cheech & Chong's favorite reggae band!"

Metro Magazine, San Jose, CA

☆☆

"Biggest dance craze since the Macaroon!"
